

# Raven

Here at the MSPCA we have had the pleasure of taking care of Raven, a 9 year old German Shepherd Mix. He is very sweet and still full of energy! He loves to play outside with toys, and then he's just as content to lay around with you at home. He has lived with cats and children before and did very well with both. Because he's an older guy, he would prefer calm children that will be gentle. He's met dogs here at the shelter and gotten along with them as long as they are of a similar activity level as he is. He is very cuddly and loves to be around people. If you wanted to sum him up in one word it would be happy! For more information please contact or stop by the shelter.
